

A Day of Giving

The NC DKG Educational Foundation has designated Nov 20 a **Day of Giving**. It is our hope that \$5000 will be raised to fund grants for NC educators. Because of the unique challenges in education at this time, it is more important than ever to support the mission of the Foundation to provide grants for educators across our state.

Just a five-dollar donation to the Foundation will show you care about teachers who...

- ◆ Create engaging learning experiences
- ◆ Offer emotional support to students and their families
- ◆ Dedicate extra time & personal funds to promote success
- ◆ Rise to the challenge of new expectations

Show you care on November 20—donate \$5 or more!
